

## Preston Meadows Mid-rise Condominiums

Artist's Concept

**Region:** Southwestern Ontario  
**Location:** Cambridge  
**Owner/Client:** Reid's Heritage Group  
**Architect:** BJC Architects Inc  
**Type of Project:** Design-Build

Partnering once again with the US Green Building Council, Reid's has developed Preston Meadows - one of Canada's first **LEED® for Neighbourhood Developments**. This is a brown-field site development with medium density design. The site clean-up has been completed and the project is entering the servicing phase of construction.
